Welcome to Athens Services

Effective July 1, 2011 Athens Services will be the new solid waste and recycling hauler in Redondo Beach. Athens Services is family-owned and operated and has been providing refuse and recycling collection services in Southern California for over 50 years. As the largest recycler in Los Angeles County, Athens is committed to helping Redondo Beach divert 75% of its waste from the landfill through expanded recycling programs and a new compost collection program. Redondo Beach will now be competing for one of the best recycling rates in the State.

Mailing Address: Athens Services
P.O. Box 60009
City of Industry, CA 91716-0009

Office Hours: 7:00 a.m. to 5:00 p.m. (Monday–Friday)
7:00 a.m. to Noon (Saturday)

HOLIDAY COLLECTION SCHEDULE

We observe the following holidays: New Year's Day, Memorial Day, July Fourth, Labor Day, Thanksgiving and Christmas. On these weeks your collections will be delayed by one day.

ORGANICS COMPOSTING PROGRAM

Food will be collected from commercial locations and taken to a composting facility. Compost is a valuable product that enriches the soil, conserves water, provides erosion control and grows healthier plants. Locations that generate food will be provided training and biodegradable bags, carts or commercial bins based on the amount of food that is generated. Please contact us at (888) 336-6100 to schedule a visit from an expert.

BULKY ITEMS

For removal of large bulky items including major appliances and furniture, please contact customer service at (888) 336-6100 to schedule a pick up.

YES!
PLEASE DO NOT OVERLOAD BINS

VOLUME LIMITS

All refuse must be placed inside of the bin with the lids closed. Any refuse that is placed alongside or above the sides of bin will not be collected.

Dirt, rock, concrete, and other construction debris are NOT allowed in bins. Please order a construction debris container.

BIN ACCESSIBILITY

The bin must be accessible at all times on your regularly scheduled collection day. Please make sure that gates are open or that our driver has a key or gate code. Make sure there are no carts, delivery trucks, excessive trash or other obstructions preventing access to your bin.

HAZARDOUS WASTE

Please do not place hazardous materials into your bin. Paints, pesticides, and petroleum derivatives such as motor oil and solvents are considered hazardous wastes. Take hazardous waste to a County of Los Angeles, S.A.F.E. Collection Center by appointment only. To make an appointment or for more information, please call 1-213-485-2260.

FREE RECYCLING SERVICES

As the largest recycler in Los Angeles County, we are able to provide comprehensive recycling programs for your business. Athens representatives can conduct an analysis, and provide you with various recycling programs tailored to your needs. Contact us to learn more about available recycling programs.

TEMPORARY SERVICES

For short term projects, you can order additional 3-cubic yard temporary bins or an extra dump of your permanent bin by calling (888) 336-6100.

ROLL OFF SERVICE

These containers will handle large volumes of material and are perfect for construction & demolition waste.

PARKING LOT SWEEPING

Please contact us for a price quote to keep your driveways and parking lot areas clean of debris.

SPECIAL WASTES

Athens Services is qualified and experienced in handling your most challenging waste streams! Athens is staffed with specialists in the area of regulatory framework for hazardous and toxic substances, organic, inorganic, and analytical chemistry as well as environmental law.

E-WASTE SERVICES
