

The map displays the route of the 2010 Census in Los Angeles, color-coded by day:

- THURSDAY (Green):** The route starts in the northwest, following the I-5 corridor, and then moves east through the city center.
- FRIDAY (Blue):** The route continues east through the city center, following the I-5 corridor.
- TUESDAY (Red):** The route continues east through the city center, following the I-5 corridor.
- WEDNESDAY (Yellow):** The route continues east through the city center, following the I-5 corridor.

The map includes major highways like I-5, I-210, and I-210, and numerous local streets. The County of Los Angeles seal is in the top left corner.
